Re: Martinez et al. v. Vakko Holding A.S. et al., 07 CV 3413 (LAP)

Dear Judge Preska:

At the pre-trial conference on February 26, 2008, in the above referenced action, you ordered all parties to, inter alia: (x) exchange information concerning the use of plaintiff Olivier Martinez's image and (y) advise you of the status of settlement discussions by March 31, 2008.

While certain information has been exchanged, counsel for all parties believes that settlement discussions would benefit from an additional week to pursue the potential resolution of this action. Accordingly, we respectfully request that you adjourn the submission date of our joint status report until April 7, 2008.

Respectfully submitted,

Seth Redniss
